Story:

Much like the Eunice Dress, the design for the Helen blouse has been pulled straight from Kristen's Grandmother's closet. We love this pattern because it's fitted specifically for a woman's body: nipped at the waist with shirring at the shoulders and back. Thin enough to pass as vintage, Helen is made from pre-laundered lightweight Japanese voile. This blouse has a buttoned breast pocket and a mandarin collar, and hits slightly lower on the hip than most modern tops.

Sizing Tips:

For CHEST, lift your arms and measure around your body, crossing over the fullest part of your bust.
