Story:

Michael is our take on the men's Guayabera, sans the flowery embroidery. The fabric for this garment was originally sourced for our Eunice Dress but we were so impressed by it's softness (it's made with Tencel) that we had to incorporate it into the men's line as well. Straying from the traditional Guayabera cut, Michael is slightly more fitted to the body but retains the classic short sleeve design with four buttoned pockets

Sizing Tips:

For CHEST, lift your arms slightly and measure around your body, crossing over the fullest part of your chest.

For NECK, measure around the base of your own neck, keeping one finger between your neck and the tape measure.
