S	37.5	27
M	39.5	29
L	41.5	32

Story:

About five years ago, Kristen and Sarah were rummaging through grimy bins at the 10th Street parking lot flea market in the East Village. Low and behold, they spotted an early version of the Virginia Shorts: campy, khaki and obviously for men, but with a whole lot of potential. Our WINTERCHECK FACTORY™ version still has that campy vibe we love, but now contained in a more refined garment made from pre-laundered eco-friendly “Flosion” pigment-dyed Japanese twill. Virginia also has two hip pockets and a feminine high waist fit.

Sizing Tips:

For HIP, stand with your heels together and measure around the fullest part of your hips.

For WAIST, measure around your waistline at the level where you’re supposed to wear your pants (but probably don’t). Then add about 0.5” for a more accurate fit.
