### Story:

The WINTERCHECK FACTORY™ Anne Blouse is our ladies version of the traditional Guayabera (typically sported by old men who play dominos and smoke cigars on the sidewalk). Since we've found that most women's blouses tend to be too short, too boxy, too tight, or too heavy and mostly just annoying, we've designed Anne to hit lower at the arm and hip, similar to a man's shirt. However, the blouse is fitted at the waist with darts at the bust and is available in two dainty floral patterns. Anne has two flank pockets with button closure for easy access to lightweight items and is made with pre-laundered lightweight Japanese voile.

### Sizing Tips:

For CHEST, lift your arms and measure around your body, crossing over the fullest part of your bust.
